

## Research

*Bethany Alldridge with her Honda Civic*

### *The Sticker Car from the 1970s*

Locate the “Sticker Car” a 1974 Honda Civic, in the Museum. Owned by Bethany Alldridge in the 70’s, she covered her car with stickers from many political and environmental groups of the era to express her views.

#### **Museum task**

Write down at least 20 names of groups the stickers represent. Place a tick next to any groups or organizations you know. Photograph or draw the car and some of its stickers. Organize the groups and issues raised by the stickers into categories such as Political, Environmental or Social.

#### **Post visit task**

Research three of the groups you do not know and give an oral presentation to the class on your findings. Include in your talk information on some of the issues that are still relevant to the 21st century. In your presentation select one of the issues that you have an opinion about. Why do you think these issues are still important today after 40 years?
