

NATIONAL MOTOR MUSEUM OSHC PROGRAMS 2019 Sem.2

To the OSHC Director

We are offering two OSHC programs for 2019. Come to Birdwood in the stunning Adelaide Hills where your group can take part in our exciting programs in a safe environment. Our facilities include sheltered lunch areas, lawned areas for play and of course our world class Museum exhibitions.

SCALEXTRICS AND RAMP RACERS

Suitable for years R-12, our large Scalextric track allows students to safely experience competitive racing!. Students also make a Lego car which they race against others down our ramp. May the best design win!

Cost \$7.50 per student (duration 90min)

GREAT AUSTRALIAN JOURNEYS ORIENTEERING FUN!

Suitable for all ages, our new program gets students out and about in our beautiful grounds where they will learn about three famous and historical Australian journeys.

Students will collect stamps in a booklet as they navigate their way around the orienteering course.

Cost \$7.50 per student (duration 90min)

Your group will have a great time exploring the Museum with its rich and diverse range of Motoring history.

For bookings please call the Museum on 8568 4000 or email [Ilan Reed](mailto:ireed@history.sa.gov.au)
