How do I get there?

The Museum is located on Shannon Street, Birdwood in the Adelaide Hills:

By public transport: Public transport is very limited to and from the area, especially at night. Check LinkSA for details of services that might be running. Also, register your interest in the event at EventBrite for any updates on public transport arrangements that might be made. However, ‘plan ahead’ is the best advice.

By car: The Museum is a 50 to 55 minute drive from the City centre. There are two main routes we recommend. Either via the SE Freeway, turning off at the Hahndorf exit, through Verdun and along

Onkaparinga Valley Road to Birdwood (the Museum is well sign posted along this route). Alternatively, from the city head to Tea Tree Gully, then to Gumeracha and to Birdwood along North East Road. There are lots of smaller roads in the Adelaide Hills and many alternative routes that can be taken.

Where can I park?

We encourage car-pooling where possible and early arrival. There will be limited parking in and around Birdwood. The Birdwood High and Primary School will be operating car parks located a short walk from the Museum on Shannon Street. Likewise the Footy / Cricket Oval. Other community sites may open for parking. Register your interest in the event on EventBrite and the Facebook event and we will keep you up to date on any news re parking. Please be mindful and cautious when driving, parking and walking to and from your vehicles – especially after dark.

What are the seating arrangements?

We recommend you bring a blanket or low beach chairs (without legs), cushions, or rugs. If it's necessary for you to bring a full-height chair, you will be directed to sit behind or to the side of all other patrons, so as not to obstruct the stage sightlines. Thank you for your understanding. There will be a limited number of chairs and tables scattered around the grounds should you not have any personal seating with you.

What food and drinks are available?

The event is focused on providing Adelaide Hills traders and event supporters with an opportunity to supply you with their fantastic range of food and beverages. There will be many fabulous food and drink options available. No BBQs or grills, please. We would prefer you to use an alternative to glass for drinking out of while on the premises.

Can I smoke?

The National Motor Museum is a non-smoking venue. A pass out will allow smokers to smoke outside the Museum grounds. Please be mindful of others and ensure you dispose of your cigarette waste responsibly.

What happens to lost property?

Please contact one of the Museum staff before you leave the venue to report any lost items and leave your details with them. If you realise you have lost something after you have left the Museum, please contact us during opening hours (10 am to 5 pm).

What if it rains?

As an outdoor event it will be subject to weather conditions. We will try to go ahead regardless of the weather and will only cancel if advised by authorities to do so or if the weather is really really bad. We strongly recommend you bring a range of clothing; it is the Hills after all!

The use of umbrellas for shade and rain cover are discouraged as they can impact the enjoyment of the concert for others.
