

News from the National Motor
Museum

Clubs Newsletter - May 2021

The first months of 2021 have been busy ones for the museum, hosting a number of large club events including the Jaguar Drivers Club of SA's "President's Picnic", the FX-HZ and HD-HR Holden Car Clubs, and the 2021 Nissan Datsun Nationals to name just a few.

**As the Adelaide Hills transition toward warmer
Autumnal colours, the museum still has limited
weekend spaces available to host your club event.**

Thanks to the generous support of [Shannons](#) - share the passion - and [The Bay to Birdwood](#) - one of the world's great historic motoring events - all club members and passengers attending a pre-booked vehicle club event receive **FREE** entry to the museum. You'll also be able to view highly acclaimed exhibition [Holden Heroes: a retrospective 1948-2017](#)! Book now as weekend spaces are filling fast. Call 8568 4000 or email motor@history.sa.gov.au.

Paul Rees - Director

Legends drop in

The museum was thrilled to welcome Australian touring car legend [Jim Richards](#) and local legend (and Brad Jones Racing driver) [Todd Hazelwood](#) as part of festivities for the 2021 Nissan Datsun Nationals held in April. Jim was instantly drawn to the HT Monaro GTS 350 and ex-Geoghegan Charger, having raced both vehicles competitively earlier in his career. Todd is currently in the midst of restoring his grandfather's Ford Zephyr - we hope to see it entered in next year's [Bay to Birdwood!](#)

Shop online

Looking for that perfect unique motoring-themed gift for that special someone? The [Museum Souvenir Shop](#) has

you covered! Have a browse online and explore our extensive range of giftware, clothing, books and scale models.

BAY to BIRDWOOD

Entries for the 2021 Bay to Birdwood have been open since 1 March 2021 and we have seen a fantastic uptake of entries, so many in fact that the allocation of spaces for vehicles manufactured between 1950 and 1991 is now FULL!

Spaces are still available for Concours d'Elegance and Preservation Awards for all eligible vehicles built prior to 1991.

Entries are still open for vehicles built prior to 1950!

If you are the owner of a Post-1950 vehicle and still wish to enter the Bay to Birdwood, please [click here](#) to register your vehicle on our Reserve List (remember to upload a photo of your vehicle!) and if a space becomes available we will notify you. This could be any time between now and 30 July 2021.

How we are keeping you safe

Guided by expert health advice and in accordance with Australian State and Federal Government recommendations and requirements, we have developed a COVIDSafe Plan that is unique to the National Motor Museum. This plan is available to view on request and key initiatives include:

- QR code sign-in for contact-tracing
- Increased cleaning with special attention to frequent touch points.
- Development of recommended routes through the museum to assist with flow.
- Establishment of maximum visitor capacity for our galleries.
- Installation of numerous hygiene stations providing access to hand sanitiser.

How you can help us

- If you have cold or flu symptoms seek testing and stay home until you are well.
- Wash your hands often and make use of the hand sanitiser stations located throughout the museum.
- Observe social distancing and maximum gallery capacities at all times.
- Help keep your family and community safe by downloading the Australian Government COVIDSafe app.
