

**Government  
of South Australia**

## Information for Food Vendors

- You are required to supply your own current, electrically tested and tagged power boards and leads.
- All power leads must be either run overhead to the power source or appropriately covered if on the ground.
- You are required to provide your own money float. No money exchange will be available on the day.
- If a Caterer please adhere to health regulation requirements. (The Adelaide Hills Council is happy to provide assistance in this area if required – 8408 0443.)
- Rainwater and a temporary water disposal trough are available. If you require assistance on the day please see our staff at the Front entrance.
- Please read the attached Event Contractor Checklist and sign and date & return.
- Please show respect for the grounds of the National Motor Museum, in particular the lawned areas, i.e do not drive vehicles unnecessarily across the lawn.
- Please advise us of your power requirements ie what equipment you will be using and how many power outlets and ampere are required.
- Please ensure that one person from your stall is responsible for briefing all workers.
- We require proof of your public liability insurance ie company, policy number and amount insured as well as your Council Food Provider Notification number

Any questions - phone Eliza on 8568 4019 or email [ELoechel@History.sa.gov.au](mailto:ELoechel@History.sa.gov.au)
